

Our Story

We're a factory direct wholesaler of distinctive, stylish, and fine cabinetry for both kitchens & vanities. All of our cabinets and vanities are constructed with **100% solid wood** door frames with HDF reversed center panel.

By selecting the ***best finishing materials***, the quality of our cabinetry without a doubt stands heads above the rest of our competitors. All of our kitchen cabinets and bathroom vanities are manufactured through ***high-tech machinery***, as well as, detailed hand-craftsmanship by our professional production teams located in our factory.

Our ***experienced design teams*** based in our warehouse showrooms are committed to assist all customers. Whether choosing a unique cabinet collection for a new house, or selecting an elegant cabinet design for a kitchen remodeling project,

ATL Cabinetry is here to help you along every step of the way.

We understand that better cabinets are the key to a better dream kitchen.

Let us open the doors to ***your dream kitchen***.

Custom Colors Program

A use of color that is based on the artist's creative choice, whether the choice is based on a design decision or based on a conceptual decision.

When it comes to painting your kitchen, there are countless kitchen color ideas and sources of inspiration to choose from. From bold and vibrant shades to calming pastels and earthy neutrals, the right kitchen paint can completely transform the look and feel of your space.

Whether you're drawn to sleek modern design or rustic farmhouse charm, there's a perfect paint color out there waiting to be discovered.
